Shatin Government Primary School

English Activity

<u>A Spooktacular Halloween Celebration at STGPS!</u> 👻

Our school was filled with excitement and Halloween vibe on 30th October. 'Halloween Wonderland' featured costume dress-up, game booths, and trick-or-treat activities, creating a memorable experience for everyone.

Students arrived in a wide variety of imaginative costumes, including witches, vampires, superheroes, and other popular characters. The colourful outfits brought the Halloween theme to life and showcased students' creativity.

A range of Halloween-themed game booths were organised by English panels and hosted by NET and English Ambassadors. Students enjoyed activities such as Spooky Nouns, Who am I, Syllable Quest, Sound Change A Word etc. Students were enthusiastic to learn English while playing the language games. Thank you to all who have devoted their effort and time for the preparation.

One of the most anticipated activities was trick-or-treating. Our headmaster travelled around the school saying, 'Trick or Treat!' and took photos with our students. This activity spread joy throughout the campus and encouraged interaction among students of different year levels.

The Halloween Wonderland was a great success. It provided students with an opportunity to learn English with a festive school experience. We would like to thank all teachers, student helpers for their hard work in making this event possible.
