今天早上,樂樂參加了學校的馬拉松賽跑。樂樂很有自信,因為他 以為自己一定能得到勝利。

槍聲一響,所有運動員都站起來向前跑,樂樂也飛快地跑,好像一 枝箭似的,一馬當先。

忽然,樂樂「哎呀!」一聲跌倒了,他痛得站不起來。但是,其他運動員還繼續向前跑。

最後,樂樂忍着疼痛,一拐一拐地走向終點。同學們也為他打氣:「加油!加油!不要放棄啊!」最後,樂樂終於走到終點,完成了比賽。

上星期六,樂樂參加了學校舉行的陸運會。

比賽開始了,參賽的選手都飛快地向前跑。突然,本來領前的樂樂 竟不小心摔倒了,其他選手便——超越了他。

最後,樂樂雖然跑不動了,但仍堅持一拐一拐地走 向終點,完成比賽。

今天,樂樂乘公共汽車到遊樂場玩耍。在車上,她在玩遊戲機。忽然,有兩個公公和婆婆上了車,但是樂樂沒有讓座給公公和婆婆。那時,有個姨姨和小女孩讓座,並上前說:「你為甚麼不讓座給公公和婆婆呢?」後來,又有一位懷孕的太太上了車。這次,樂樂馬上讓座給她。姨姨和小女孩看見了,連忙稱讚她。樂樂也感到非常開心。

上星期日,我們一家人到沙田中央公園參加「家庭遊樂日」。

上午十時,我們一家到達沙田中央公園。我看到了很多攤位。我參加了打籃球、拋圈、釣魚和到小食部買食物。

下午一時,攤位遊戲結束了,我高高興興地回家去。

在一年度的運動會上,樂樂參加了一百米的短跑。

比賽開始了,哨子聲一響,樂樂就一馬當先,跑在其他選手的前面。觀眾們都以為樂樂會拿到冠軍。忽然,他摔倒了,被其他選手超越了。

可是,樂樂沒有放棄。最後,他慢慢地走到終點。

我最喜歡的圖書是《查理九世·黑貝街的亡靈》。這本書是寫多 多、婷婷、扶幽和虎鯊到黑貝街探險,結果達成了目標。

這本書的插圖精美,所有人物都有白白的膚色,漂亮的臉蛋。他們的衣服也十分好看,其中婷婷的裙子和媽媽的圍裙都印上了可愛的圖案,十分美麗。

此外,這本書的情節緊張,令人感動:查理跑進火場救出害怕的狐狸,最後,自己竟變了一隻灰狗。當查理還沒有走出來的時候,多多開始後悔自己從前沒有好好對待查理。

這本書的內容令我學會了處理困難的時候,要 與別人分工合作,找出正確的解答方法,不要依賴 別人。

去年,我參加了運動會的跑步比賽。

比賽開始了!我飛快地向終點跑去。突然,我看見其中一個對手緊隨在我的身後,快要趕上我了。我用盡全力,連忙加速。最後,我終於獲得了第一名。

回家後,我馬上向媽媽報喜。媽媽稱讚說:「你真棒啊!我真的為你而感到驕傲!」我聽了後,心裏像吃了蜜糖一樣甜。我心想:我會繼續努力,不會辜負媽媽對我的期望。

這個農曆新年發生了很多趣事,有意想不到的、有巧合的,回想起來令我不禁發笑。

媽媽和我到一田百貨公司辦年貨,我最喜愛就是試食冬菇。我一直 嚷着媽媽買冬菇,但媽媽總說:「再看一會吧!」我感到很失望。那知 當媽媽買染髮劑時,得到的贈品竟然是一大包冬菇,媽媽和我都不約而 同地笑起來。

媽媽問哥哥:「你最想新年收到甚麼禮物?」哥哥希望得到高達模型。媽媽說:「新年只會收到食物或利是,怎會收到模型呢?」那知年初一到外婆家時,舅父竟然送了一盒高達模型給哥哥。媽媽和我都感到非常驚訝,下巴也差點掉下來!

我最想收到的新年禮物是蛋卷皇后。年三十晚下午經過售賣蛋卷皇后的店舖時,我發現蛋卷已一早沽清,相信蛋卷一定很好味。沒想到奶奶送給我們的新年禮物正是蛋卷皇后,你說神奇不神奇!

這個新春好事一件接一件,我想雞年我一家必定萬事如意、心想事成。

正當我們津津有味地吃月餅的時候,表哥、表姐和我就爭先恐後地 搶着用望遠鏡看月亮。輪到我看的時候,我準備往上望時,我看到有幾 隻小貓跑到欄杆上。我和表哥馬上拿了幾顆提子去餵牠們。牠們一面 吃,一面對着我們笑,好像跟我們說謝謝。

我覺得很有趣,因為我又看見了月亮,又看見了可愛的小貓。

那天,我感到很開心,因為我第一次看見小貓會吃水果,以前以為 貓只吃魚和貓糧,所以我覺得很有趣。

親愛的表弟:

你好嗎?最近怎樣?

你搬家已經一星期了,我時常惦記着你。從你搬家的那天,我和小 智常回憶起我們一起踢足球的快樂時光。

今天,班上來了兩位新同學,他們都是由外國移民來的,他們叫志 偉和小明。志偉為人善良和不斤斤計較,小明則很聰明。昨天,我們一 起踏單車,我高興極了!你又結識了什麼朋友呢?下次寫信告訴我吧!

九月二十五日至十月一日

星期天,我和嘉嘉一起到文具店購物,大家買了相同款式的顏色筆 和橡皮。

星期一課間休息的時候,同學們發現此事,笑說我們像姐妹一般, 十分要好。嘉嘉聽到後笑得很大聲呢!

星期二,嘉嘉沒有上學,究竟她遇到了甚麼事呢?我<mark>真是非常擔心</mark>她。

星期三,嘉嘉回到課室的時候,我問她為甚麼沒有上學,<mark>她一聲不</mark>響便大哭起來,更說不想跟我談話。我莫名其妙,只好轉身走開了。

上中文課的時候,嘉嘉偷偷望了我幾次。我很想跟她說話,但<mark>是我</mark>沒有勇氣。

嘉嘉在放學時跑過來跟我道歉。原來早前她的小狗病了,心情很差,所以不想跟我談話。我也跟她說對不起,因我沒有了解清楚事情便生她的氣。

今天,我和嘉嘉又一起購物,並買了很多款式相同的文具,因為我們是一對好朋友嘛!

你知道我最喜愛的動物是甚麼嗎?你猜一猜……答對了,就是倉 鼠!但是你知道為甚麼嗎?因為牠是我家的寵物,所以我很了解倉鼠。

我來介紹一下她的外形特點吧! 倉鼠的身形有的是大,有的是小, 全身也長着炭黑色,像棉花般柔軟的毛。但她出生時,全身是 光脫脫的,仿如我們不穿衣服一樣啊! 牠的夾背中間連着一 條黑漆漆的斑紋。牠有一雙黑油油且發亮的眼睛,一雙像尖 劍般的爪,一點粉紅色的鼻子,還有一雙細小而敏銳的耳朵。

你一定想我告訴你有關牠的事情,對嗎?那好吧!我曾經安裝一個 遊樂園給牠,只見牠在樂園裏跑來跑去,好像想逃出去似的。

我很開心可以和牠做朋友,牠為我的生活帶來一點歡樂。

我的盈盈是一隻頑皮的兔子。

盈盈有一對長長的耳朵,像隨時留心着去聽別人的 說話。牠那紅紅的眼睛,朦朦的,還未睡醒似的。牠還 有一對很長的門牙,可以方便吃紅蘿蔔。

盈盈有一對強壯有力的後腿,牠愛到處跑跑跳 跳。盈盈的毛是白色的,牠的肚是粉紅色,圓圓胖胖,甚討人喜愛。

看着小白兔盈盈—天一天地成長,可見牠的生命力真的很強。

我家的小狗一「瑞奇」, 牠是一隻貴婦犬, 褐色的身子像洋娃娃似的; 脖子上的毛像羊毛般柔軟; 水汪汪的眼睛像兩顆水晶球; 一團細細的小尾巴不停地搖擺着, 真惹人喜歡。

牠不但可愛,而且非常乖巧。

「瑞奇」一看見我,會又蹦又跳的走到我面前。牠會嗅嗅我的身子,親切地把尾巴搖來搖去。每次我用手摸摸牠的小腦袋,牠就會昂起頭來舔我的手,感覺暖暖的。當我吃東西的時候,牠會用身子蹭我的腿,要求我給牠食物,若我不給牠吃,牠就會發出一些奇怪的聲音來引起我的注意,十分可愛。

我每次替牠洗完澡,便會拿着毛巾抱住牠,牠就像一個小寶寶<mark>,靜</mark> 靜地躺在我的手裏,十分乖巧。

我十分喜愛「瑞奇」, 牠是我的好朋友, 也是我的家庭成員之一, 我會好照料牠, 讓牠健康地成長。

一年一度的秋季旅行又到了,我們去了烏溪沙青年新村。我跟我的 好朋友組成一組。我們還帶了很多美味的食物呢!

我們一到那裏,就去了借籃球。我走着走着,發現自己已經身處於籃球場。這個四四方方的籃球場真大啊!大得像兩頭巨象似的。這個籃球場真闊啊!闊得比沙漠還要闊。我們在這裏真的可以舒舒服服地練習打球。這個又大又闊的地方讓我永遠不會忘記。

我們把籃球還給老師後,又借了一個足球。我們來到一塊草地上。這塊草地真像一個老伯伯在睡覺,他為自己蓋上了一張綠油油的被子。我慢慢走上去,他也沒有醒來,這下我安心了。我在上面玩了足球遊戲呢!

這次旅行不但大大提升了我的<mark>球技,還改善了我</mark>和朋友之間的關係,希望明年能再來一次。

黎心怡 (五甲)

一月二十八日至二月三日

在農曆新年期間,我們一家到了台山探望外婆。再也不需要擔心考試、溫習的事情,所以我非常期待這次旅行。

到達台山的第一、二天,我們已經要到處奔波拜年。早上剛拜過 年,中午又要到別人家吃飯,密密麻麻的行程真讓我有點兒吃不消呢!

第三天,我們到住在鄉村的外婆家拜年。我們參觀了一些田地,還親手摘了一些菠菜。本來我以為菠菜的根是深深扎在泥土裏的,想不到我竟然不費吹灰之力就把菠菜連根拔起,令我大為吃驚。不知道是不是心理作用,當晚吃着親手摘下的菠菜,總覺得格外美味呢!

第四天可說是最刺激的一天了。我們在家裏無所事事,爸爸突然心血來潮,說要學騎「電動車」。他本身平衡感不錯,很快便能駕馭了。哥哥也嚷着要騎,結果也成功了。爸爸問我:「你要試試看嗎?」我本想搖頭,但哥哥已經把頭盔套到我的頭上,這下可真是騎虎難下了!我戰戰兢兢地騎上車,舅父告訴我簡單的操作後,便讓我自己開始。第一次駕駛電動車,即使在爸爸攙扶之下,我還是心驚膽顫,不敢提起腳,速度也像烏龜一樣慢。爸爸只好讓我下車,看着他們騎車。我心有不甘,看着他們騎了一圈又一圈,終究忍不住,主動提出再來一次。開始時我仍然有些膽怯,但後來我咬緊牙關,把腳提起,油門提高,起初車

子仍有點兒搖晃,但很快便平穩下來了。我騎了 一圈,回到起點時仍未能平復激動的心 情,只懂傻笑,但心裏卻非常興奮!

這四天之旅讓我學會了許多東西,除了好玩之外,也讓我獲益良多!

我最尊敬的人是我的媽媽。她今年四十多歲,是一位老師。她有一 張瓜子臉,一頭棕色的鬈髮,好像一隻溫馴可愛的小狗。高高的鼻子上 架着一副眼鏡,眼鏡後,藏着一雙炯炯有神的眼睛。

有一次,我不懂算一道數學題,儘管絞盡腦汁,也算不出答案來。 這時,媽媽走過來,在紙上寫了幾條公式,我頓時明白過來,幾分鐘內 就把答案算出來。

媽媽是一個有責任心的人。凡上司委託的文件,她都會依時完成;凡 她說過的,她都會做得到;凡是答應過別人的事情,她都會兌現承諾,絕 不食言。

媽媽的種種身教,不但令我學懂了甚麼是責任心,也讓我學會凡事要細心觀察,以平常心解決難題。媽媽,你是我人生風浪上的定海神針,令我有方向,有平安!

當我在相簿中看到我和爸媽在北海道旅行的照片時,我心中馬上想 起那段開心的日子。當中最令我難忘的,是我第一次親身看到下雪的情 景。

去年的聖誕節假期,我和爸爸媽媽到北海道旅行。當天,我懷着興奮的心情到達機場,我對今次的旅行充滿期待。

到達了北海道,雖然天氣很冷,但是沒有下雪,我們乘坐旅遊車去酒店。吃過晚飯後,我們便去浸溫泉,浸在溫暖的泉水裏十分舒服。

第二天,我們出發往滑雪場,車程中下起雪來,我看到一<mark>片白茫茫</mark>的雪景,樹木和房子好像穿上雪白的衣裳,十分美麗。

滑雪場上大雪紛飛,我置身在其中,好像仙境一樣。我躺在<mark>雪地</mark>上,享受着雪花飄在我臉上的感覺,我不停地在雪地上打滾,弄到滿身都是雪,媽媽笑我像一個雪人呢!

這個旅程中,我不但看到下雪,而且學懂了滑雪,我感謝爸媽給我這個難忘的旅程。

我想送一隻手錶給一個快將移民的同學。因為當他看到那隻錶,也會記起我們和老師,讓他知道我們仍想念他。

我也希望送全班的大合照,可是如果不幸遇到火災,它就會被燒掉,而錶卻可以時時刻刻地戴着,錶還可以讓他清楚時間,讓他上學不會遲到。我和同學也非常擔心他在那兒能否適應生活,所以寫了一封信問候他。

總括來說,手錶是比較合適的禮物。它又可讓他記着我們,又可時時刻刻方便地攜帶,還可讓他看着時間,不會遲到,真是一舉多得呢!

相信大家都有聽過「一寸光陰一寸金,寸金難買寸光陰。」這句名言。時間就像生命一樣重要,那珍惜時間是不是十分難?當然不是。

首先,我們可從平日生活做起,善用時間做有意義的事,已經能做 到珍惜時間。

其次,我們不要拖延時間,「浪費時間是一宗大罪過」這句諺語正正指出了珍惜時間的重要。我們絕不能浪費時間,否則時間會在你身邊不知不覺地流走。

最後,我們可以把時間「擠」出來,例如為自己訂下目標。事例 一:樂晴訂下了一個目標,就是在吃晚飯前完成所有功課,於是她專心 地在晚飯前完成,她善用了時間做有意義的事。這個方法不但能善用時間,還能讓我們訂立學習上的目標,真是一舉兩得呢!

希望大家能珍惜時間,明白「一寸光陰一寸金,寸金難買寸光陰。」的意思,不再浪費時間了。

古語有云:「相識滿天下,交心能幾人。」我也是這種情況,我的 朋輩大多都願意與我交好,但真真正正成為我閨蜜的,也只有兩人。

我要介紹的是其中一位,她是我以前的同班同學,現在的同級同學。縱使我們已經漸漸疏遠,甚至以後成為陌路人……但我們都知道,曾經我們是最瞭解彼此的人。我們美好的過去,是誰亦不能踏足的淨土。

我不太想說出她的名字,那就用「丹丹」來代替吧!丹丹以前的性格比較懦弱怕事,但這並不表示她毫無主見,只是不善於表達而已。丹丹是那種外表柔弱,而且有點傻氣的女孩子,其實不然,她心裏清楚着呢!這和性格強悍的我,可謂天淵之別。

我想我和丹丹真的很有緣份,因為小時候,我的性子非常火爆,和 丹丹溫潤的脾氣異常不合,加上獨來獨往又說話帶刺的特質,她居然受 得了我,真是……不可思議。

在我們的相處過程中,大多都是我佔主導,丹丹則多是向我傾訴那一位。她總是毫無保留地向我抱怨生活中的不快樂,然後我就會給她拿主意。久而久之,所有人(包括丹丹的家人)都認為我很理解丹丹,而且幫了她很多。其實只有我自己明白,丹丹又何嘗不是幫我收斂了暴躁的性子?

丹丹的學習成績,以及其他方面都比我 弱,當然不能給我很大的幫助。但敏銳的 我,明確地感受到,丹丹比我更認真對待這 段友誼,付出的亦比我多。現在即使我長大 了,和她也不是同一班,但我會銘記着她— 丹丹,我的好同學、好朋友、好閨蜜。

我們的父母總是會為了養育我們,辛勞地工作。父母對我們那麼好,我們應如何報答他們呢?送禮物給他們?幫他們按摩?好好學習? 尊敬他們?我們應怎樣報答一個每天辛勞工作,努力掙錢養我的人,和 一個十月懷胎,帶我來這個奇妙世界的人呢?

有些人,他們會穿上各種奇裝異服惹父母發笑;有些人,則會買下各種昂貴的禮品給父母;有些人,則會寫一些小卡片給父母……不過我還是認為物質上的「孝」,是不及心靈上的「孝」。

記得有一次母親節,我畫了一張賀卡和送了一朵用紙做的「玫瑰」 給媽媽。雖然它們並不美麗,但媽媽卻開心得仿如中了「六合彩」一 樣。

今後,我一定要努力讀書,考好呈分試,升讀一間好的中學和大學,再找一份好的職業,好好照顧他們。

每個人也有不同的方法報答父母,你又會怎樣報答他們呢?

我們的父母為了養育我們,辛勞地工作。不如我們想想如何報答父母吧!

我們要報答父母養育之恩,好好孝順他們。古人說:「身體髮膚, 受諸父母,不敢毀傷,孝之始也。」孝順就是不要令父母為我們擔心, 我們要懂得愛惜自己。當我們生病時,父母輪流地照顧我們,他們又擔 心又疲累。因此,我們要過健康的生活和好好照顧自己的身體,少病 了,父母便安心。

我快要升中學了,父母擔心我的成績,因此我要努力讀書,升到心 儀的中學,希望學有所成,減少父母的憂慮,便是報答父母了。

報答父母最重要是關懷他們。我年紀還小,還有很多時間和父母相 聚在一起,天天能看見父母。但是,我長大後,學業和工作都很忙碌, 跟父母見面的時間可能會減少了。我希望由現在開始多點關心父母。父 母年老時,我會帶他們去旅行以報答他們。我要做個乖孩子來報答疼愛 我的父母親。

雖然我的生活是很平淡,沒有甚麼波瀾起伏,但是我感覺很幸福。

我幸福,因為我擁有父母的愛護。他們總是在我傷心的時候安慰和 鼓勵我。他們令我在艱辛中依然堅強,永不放棄。

我幸福,因為我擁有學習的機會。老師對我們作出無私的奉獻,每當我疑惑地面對一道道難題時,老師總在一旁為我指點迷津,改正我的錯誤。我跟一些貧窮國家的人相比,他們沒有學習的機會,我就幸福得多了。

我幸福,因為我具有運動潛質。我懂得踢足球、打籃球、打壁球和 跑步,我甚至在一次跑步比賽中獲得一枚銅牌呢!

可惜我欠缺藝術天份,這是美中不足的。然而,我有很好的視藝老師,我希望她教導我更多視藝的知識和技巧,使我的成績有所進步。

生活的每一天,我學會了寬容,學會了承擔,學會了付出,學會了 感動,也懂得回報,所以我要好好珍惜這一切。我會繼續努力,用微笑 去面對世界,面對將來,更要面對困難,勇往直前。

雖然我沒有讀報的習慣,但就在前幾天,我讀了一則令我心潮起伏的報導,大字標題寫着:拾荒求生的艾朗。

我對艾朗感到十分同情,他生活在一個非常<mark>惡劣的環境中,已經沒</mark>有正常孩子應有的童年。

當記者訪問艾朗時,他表示:不敢奢望上學讀書,只希望長大以後可以找一份工作掙錢養家。他小小年紀,不停地拾荒掙錢,喪失了上學的機會,卻沒有半句怨言;而我每天上學,不用為生活勞碌,這不是很幸福嗎?

我決定參加聯合國的募捐計劃,用我的零用錢來幫助他們。此外我們更應該珍惜眼前擁有的一切,再也不要怨天尤人,更要做好學生的本份,長大後,參加義工團體,到那些國家幫助他們脫貧。

Preface

"If you want to be a writer, you must do two things above all others: read a lot and write a lot."

Stephen King

Creative Writing is one of the challenging skills in learning English language for children to learn and master. Some may already have the skill to express their thoughts and feelings confidently. So what can we do to help those retain their interest in writing?

As a teacher, I would encourage children to read storybooks at an early age. This enables them to explore new vocabulary, improve communication orally and spelling as well as in writing. I have read fantastic pieces of writing done by children. They have a lot to say and share.

Children should continue writing. Write what you know, who you know and how you feel about a topic. When you write, you are telling people a story and you take them to a magical world. No one can write, but you. Keep writing, Keep reading!

"You don't write because you want to say something...you write because you have something to say."

F. Scott Fitzgerald

Dear Alexis,

How are you? Do you want to go to the swimming pool with me? It is between the library and the park. We can swim there. It is happy. We can also go to the cinema. It is opposite the pet shop. We can watch the film. It is exciting. We can even go to the library. It is next to the museum. We can read books there.

Write back soon!

The brother and sister go out in the afternoon. They ride bicycles on the hill. They are happy!

It is hot and sunny. The brother and sister are tired and thirsty. Suddenly, they see a big tree. They have a rest on the green grass. The sister wants to wash her face. She goes to the lake. She falls into the lake. She cries for help. Her brother cannot swim. So he throws a rope into the river and lets his sister catch it. Then he pulls the rope. He saves his sister! They are happy!

They learn that they should learn how to swim.

This is Wonderful Town. There are interesting places and shops.

I like the shopping centre. It looks great. It is between the park and the bookshop. I can eat there. I cannot run there.

I like the park too. It is opposite the hospital. I can play there. I cannot pick the flowers there.

The toy shop also looks beautiful. It is next to the hospital. I can buy toys there. I cannot eat there.

One day Ken and his sister Mary go near the lake. They ride bicycles together happily. Later, they are tired so they have a rest under a big and tall tree.

It is sunny and Mary is very hot. She walks near the lake because she wants to wash her face and cleans her ankle. The grass is wet and Mary falls into the lake suddenly. She then hurts her knee and her ankle.

Then, a policeman and a policewoman come. Ken tells them what happens about Mary. The police is kind and they carry Mary home.

This story tells us that if we want to go out to ride bicycles or play, we must go with our parents.

Dear Javier,

How are you? I miss you very much. I went to Sunny Aquarium with my friends in the Easter holiday.

First, we saw a big tank. It was very big. There was special fish inside. The fish was orange in colour. They had two big eyes with a small mouth.

In the afternoon, we were very hungry but we just ate in a fast food shop because we wanted to see more fish. After we ate our lunch, we went to see other fish. We saw jellyfish, dolphins and sharks!

In the evening, we had dinner at the aquarium, it was very yummy!

How was your Easter holiday? Where did you go? Write back soon.

Today is a sunny day. I go to Happy Farm with my mum and dad. We go to the farm by car. Dad has a cap and a waterbottle. Mum wears sunglasses. I have a hat and a backpack.

First, we go to the Fruit and Vegetables Garden. Dad looks at the corn. Mum takes photos of the carrots. I look at the strawberries and watermelons.

Then, I walk to the pond. I can see two naughty children. They are throwing stones to the ducks. I feel so angry and shout at them, 'Stop! Don't hurt the ducks!' However, they don't listen to me and throw stones to me too. I am so afraid that

I run away and tell the farmer at once. The farmer is angry. He scolds the naughty children. Then, he says to them, 'Don't hurt the ducks, children!' Now the naughty children are afraid and say sorry to the farmer. Then they run away.

Last Friday, we went on a school trip to the zoo. We went to Baby Zoo by coach. We arrived there at a quarter past ten. It was sunny in the morning.

There were lots of animals in the zoo. First, I drew pictures of the lions. The lions were sleeping. Then, I had lunch at the zoo's restaurant. The pizza and salad were yummy.

After lunch, I went to see the elephants and took photos of them. The elephants were big and strong. I liked them very much.

At the end of the school trip, it became cloudy and then it began to rain. I felt cold because my clothes were all wet when I got on the coach. I felt unhappy because I got flu after the school trip. I didn't enjoy the trip.

What a bad day!

There are three farms in Green City.

Mr Tom has a farm in Green City. Its name is Sunny Farm. It produces milk and carrots. There are many animals, such as nineteen cows, ten cocks and forty ducks.

Miss Leanne owns Spring Farm. It produces corn and potatoes but there are no animals on her farm.

I own Kyana Happy Farm. It produces eggs, milk and wool. There are twenty cows, fifteen hens and ten sheep on my farm.

I like my farm very much because I like the milk from the cows of my farm.

17th February, Friday

Sunny and Warm

Yesterday was my school holiday, so my best friend Mary came to visit us. She said, 'In Shatin, there is a book fair. Let's go there!' 'Okay! But I need to tell my sister,' I answered.

Therefore, my sister brought two suitcases with us. At the book fair, we stopped at different booths. Mary tried to find some books about time and history, she also picked some comic books. I like comics too so I bought ten comic books.

After going to the book fair, we went back home and read the books we bought.

What a great day!

Mary is a student in Sunny Primary School. Today she is having an interesting General Studies lesson. Miss Lee is talking about "frogs". Mary and her classmates are excited because Miss Lee shows them a real frog. The frog is in a glass tank. It is five centimetres tall. It weighs 20 grams. It is green, cute and slimy. It has small eyes. All the children are interested in the frog.

Suddenly, the frog jumps out of the glass tank, and then it jumps onto Mary's shoulder.

Mary is scared and screams for help, but all of her classmates don't help her, because they are all frightened too.

Finally, Miss Lee gets the frog away from Mary and says sorry to the class for the troubles the frog caused. The frog has to stay in the tank until Miss Lee finishes her teaching and releases it back to the pond.

Sunday, 12th February

Cold and sunny

There was a book fair at the shopping mall near my home. I went there with my mum. There were a lot of interesting books. We enjoyed reading the books very much.

My mum likes reading cookbooks. Her favourite book is My First Cookbook. She bought nine cookbooks.

I don't like cookbooks but I like comic books and I looked through six comic books. My favourite book is Iron Man. The book is about the superhero Iron Man who saves our Earth.

After we visited the book fair, I played badminton with my mum in the park and then returned home in the evening.

What a great day!

The Chan Family is going on a picnic today. Before the picnic, Mrs Chan puts a few sandwiches and two bottles of water in a bag. Mary and Tom would like some apples and oranges too.

They get to the picnic site by minibus. The weather is sunny. They are very happy.

They sit on a tablecloth and have a few sandwiches, some apples, oranges and two bottles of water on the grass. Suddenly, there is a barking dog!

Mary and Tom are scared by the dog. Therefore, Mr. Chan gives the dog a sandwich and it stops barking! Finally, the Chan Family plays with the dog happily!

Peter went to Tai Tai Market with his mum to buy some fruit. Mum said, 'I want to buy some apples and oranges.' Peter said, 'I want to buy some apples and oranges too.'

They chose the apples and oranges. Mum said, 'I want to buy some corn.' Peter shouted, 'Yeah! I like corn!'

Suddenly, Peter saw a man. He took a woman's purse from her bag. Peter said, 'What are you doing?' The woman saw the man and screamed, 'Help me!'

Peter was scared. He shouted loudly, 'A thief!' Everyone in the market looked at Peter so the man ran away quickly.

The woman said, 'Thank you!' to Peter. Therefore, she gave him four apples. At last, Peter's mum and Peter felt happy.

Last Sunday morning, Julie woke up early in the morning. She was excited because she would meet her friend Kitty and go shopping with her in Panda Shopping Mall.

First, they went to Ka Ka Clothes Shop. 'Wow! These trousers are beautiful!' Julie said. 'These clothes are beautiful too!' Kitty shouted. Julie bought a lot of clothes and Kitty bought three pairs of trousers for her mum.

Then they went to Yan Yan Café to have tea. They ate some toast. 'This toast is yummy!' Kitty said. Then they went to Bobo Cinema and watched 'Dog Dog Baby'. They felt overjoyed.

That night, Julie went back home very late. When she was checking her homework book, she found that she would have a Maths test the next day. However, she was very tired so she went to sleep and didn't do any revision.

In the end, Julie got zero marks in the test so her mother was mad. She felt upset. 'I'm sorry, Mum. I will go back home early next time, promised Julie.

This story tells us that we should finish our revision before we go out to play.

Yesterday I watched TV and played games with my friends and classmates at home. I ate a lot of oily food like potato chips when we were playing games.

> After a while, I started to feel feverish and shivering. Suddenly, I vomited too! Next, my friends told my parents what happened. My mum was worried so she took me to the clinic. When we arrived at the clinic, we had to wait for the doctor for a long time.

> When it was my turn, Doctor Chan asked me, 'Did you eat plenty of oily food?' 'Yes, I did,' I replied. Doctor Chan gave me some advice and said, 'Go home and take these pills. You should also drink more water and take more rest."

> Since then, I have learnt that I should take good care of my health and I shouldn't eat too much oily food.

Subject: Gold on Sports Day!

Hi Nicole,

How are you? I'm sorry I didn't send you an email last month. I was busy at my school. I practised for my school's Sports Day. I practised with my sister every day.

The competition was on the thirtieth of June. I took part in the 60m and 100m races. I was faster than all the runners in the 60m race so I became the winner! However, in the 100 race, I lost because the other runners were fitter than me.

Although I felt a bit sad, I enjoyed most of the time on the Sports Day. I hope I can win more medals in the next Sports Day. Have you taken part in any competitions at school? Write and tell me, bye!

Best wishes, Dorothy

Muffin barked at the thief. He felt frightened and ran away. John cried, 'Stop running! Thief!'Then Aunt Alice called the police. The police arrived soonand caught the thief.

Aunt May said 'thank you' to John and the police. Aunt May learned an important lesson that she needs to be more careful with her belongings.

Sam: Why do you like PE?

Anna: I like PE because I love playing football. Do you like PE?

Sam: No, I'm not very good at running. My favourite subject is Music.

Anna: Why do you like Music?

Sam: It's because I enjoy playing musical instruments.

Anna: Do you like Visual Arts?

Sam: No, I don't like Visual Arts. I think it's too difficult for me.

Anna: Oh, I must go now. My dinner is ready. Call me soon!

Sam: OK. Take care!

Last Sunday, it was nine o'clock at night, Tom's mum was telling a story to Tom. The story was about a lion. After ten minutes, Tom felt tired. Then he slept.

Later, Tom went to a zoo in his dream. He went to the zoo with his friends. The children wanted to see lions, monkeys, giraffes and elephants.

Then Tom went near the lion's cage. He saw a lion in the cage. The lion said, 'How are you?'
Tom felt afraid and said, 'I'm Tom. 'Then he ran away.

Tom then woke up. He was surprised. He said to himself, 'Fortunately, it's only a dream.' He was happy.

I learn to be careful from Tom's story.

Last month, I visited Uncle Jimmy and Aunt May in Taiwan. I stayed with my dad and mum in a big and comfortable hotel for four days.

Uncle Jimmy is a firefighter. He goes to the fire scene to save people and puts out fires.

Aunt May is a food stall owner. Her shop sells fish balls, beef noodles and chicken wings.

We went to many places in Taiwan. They were very interesting. I liked the beach most. There were many different food stalls near the beach.

I enjoyed visiting Taiwan. I felt very excited and comfortable there.

The Cleaner C3PO is a robot that helps us clean the house. Its body is built like an adult's and its face looks very friendly. Its head is red and the body is golden. It has a remote control.

Its head is made with a bucket. Its eyes are made with laundry balls and the nose is used to receive the signal. Its hands are made with scouring pads and bottles of detergent. Its feet are made with dustpans and brooms.

I think that Cleaner C3PO is tidy, helpful, useful and polite. It helps my family to cook all our meals. It also does the housework for us. It has won the Cleanest Household Product Award. In addition, it also has a special function—when I am depressed, he chats with me! It is really my best friend!

One day, Ben walked in the street and saw a hawker. He sold fish balls. They looked delicious. Ben asked, 'How much is a fish ball?' He answered, 'One dollar for two fish balls.' Ben gave him four dollars. He gave eight fish balls to Ben.

One hour later, he vomited and did not feel well. His mum took him to the hospital. The doctor said, 'Don't eat the food a hawker sells! You need to take a rest at home for one day!' Ben replied, 'OK!'

Since then, Ben did more exercise and ate healthier food more. He became stronger and fitter.

Did you know that Hong Kong is one of the busiest and the most crowded cities in the world? There are a lot of changes in the city over the years. Let's find out how our parents and grandparents lived.

In the old days

In the past, people used to live in small houses. They walked, rode on bicycles or in rickshaws. They used abacuses to do calculations.

A modern city

Things have changed a lot. Now we live in high-rise buildings. We use public transport, drive private cars or motorbikes. We use calculators to do calculations.

Learning from the past

Some people miss the old Hong Kong. We should learn about what people had or did not have in the past because we can better understand how our lives have improved.

Yesterday I had an interesting dream.

In my dream, I went on a spaceship and flew to the Moon. The Moon is an amazing place. When I landed on it, I saw some flowers smiling and waving their hands. I also saw some floating in the air. Some of their eyes can even glow! There were some buildings far away. Their shapes were very strange. There's a board with 'Welcome to the Moon' too.

When I was walking towards the board, I saw an alien crying next to a spaceship so I asked him, 'What can I help you?' The alien looked at me and said, 'Please help me! My parents brought me on a trip in the space but I was too curious about the Moon. After I landed, the spaceship was out of order!' His tears were dropping. I wanted to help him but I didn't know what to do! Suddenly I had an idea...

I went back to my spaceship and sat in front of the computer. I connected to the web on the Earth and started to search how to fix a spaceship. Finally, I found the information I needed! I started to fix the spaceship. After three hours, it worked again. 'Thanks!' the alien was very excited. I felt glad too. I found out helping others is very meaningful and happy.

I ate seafood with my parents at Yum Yum Restaurant in Aberdeen last Sunday but I was cheated by a little boy.

After taking the MTR, we walked to the restaurant. On the way, I was bored so I looked around. I saw a poor boy who was begging for money. His knees were bleeding. He couldn't walk so he sat on the ground. He was sad. He wanted some money. I talked to my parents. I asked them, 'Can I give him some money?' My parents made a green light because we felt sorry for him. The little boy said, 'Thank you!'

After that, we went to the pier. My parents wanted to take a photo. When I was helping them, I saw that boy again. He was wiping the fake blood off. I found it was a cheat! I was so angry about it. He spent the money on buying snacks. He was over the moon. He ran at once when he saw me. What a naughty boy! I chased after him. My parents followed me.

We ran for few minutes, he ran to a bridge. There were some homeless people. I saw the little boy giving them all the snacks and money. What a beautiful cheat! However, I explained to him, 'Little boy, I'm so happy that you help the homeless people but you can't cheat. You can ask people to donate them some money.' The little boy was embarrassed and promised he won't cheat again.

I learnt a lesson- We should help the others but no cheating!

Last Sunday, Ricky went fishing with his friend, Wilson. They went fishing in Fun Fun Park. They started to fish at nine o'clock in the morning. After a while, the boys felt bored because there was no fish. Wilson asked, 'I am bored. What are we going to do?' Ricky answered, 'Be patient!'

After a long while, Wilson's fishing rod moved because he caught a fish. He was happy and said, 'Yeah! I got a fish! Ha! Ha!' Ricky heard this and felt jealous. Ricky waited and waited.

Soon, Ricky's fishing rod moved also. It was hard for Ricky to pull the fish out of the water. Wilson helped Ricky to pull the fish out. The fish was giant and ugly. Ricky said, 'Wow! What a big fish!' Ricky was shocked because he was scared.

Suddenly, the big fish turned to an evil and attacked the boys.

The big fish bit Ricky. Ricky was hurt. Wilson hit
the big fish with the fishing rod. The big fish died.

From this story, Wilson and Ricky learnt that friends should help each other.

Winning HK \$1000 in a model making competition

Recently, I won HK \$1000 in a model making competition. I entered the competition because my mother suggested me to enter it. She said that I am good at making models and I was creative.

Last Sunday was the day of the competition. My model was a clock that could move without batteries. I used some wood and rubber bands as the materials of my model because they are environmental-friendly materials.

I want to thank my mother because she bought me some books about making models before the competition and they really help! My family was very happy about my win in the competition. My mother was very proud of me.

I will save all the money I won into my bank account. I will use it when I need.

I had an interesting dream last night. In my dream, I flew to the Moon and helped an alien.

I saw many aliens there. Some of them looked like fish. Some of them looked like sunflowers.

Then, I saw an alien. It is called Bobby. 'Can you help me fix my spaceship?' asked Bobby. 'No problem!' I replied.

In the end, I help Bobby to fix his spaceship and he travelled in the moon with me.

I was very happy because I played with Bobby in my dream last night.

Last Sunday, my mum and dad took me to Aberdeen for sight-seeing. Then, I saw a young boy who was begging and he seemed sad.

I felt sorry for him because he needed begging. Therefore, I gave the boy ten dollars. The young boy felt thankful for my help. Therefore, he said, 'Thank you!'.

My mum said, 'Adrian, help us take a photo, please!' At that time, I saw the young boy who begged before wiping the fake blood. I knew that he cheated me.

I was angry so I shouted at the young boy, 'You mustn't cheat people! If you cheat people again, I will call the police!' The young boy said, 'Sorry! I won't cheat people anymore!'

I am unhappy to hear about the problems you have had recently. You can study harder. You can listen to music; have some candies; sleep early before the tests. All these will make you more relaxed.

I know you have quarrelled with your mum about breakfast. You should eat breakfast as it can give you energy. You should say 'Sorry' to your mum and listen to her as what she said is for your sake. You can also share your ups and downs with your family members.

I also know that your friends didn't play with you. You seem to be selfish as you never share your things with them. I think you need to be more generous and friendly. You can volunteer to help your friends and be trustworthy and nice to them.

No matter what happens, I will always stand by you. Keep in touch.

Write soon.

Yours. John

Winning HK \$1000 in a model making competition

Recently, I won HK\$1000 in a model making competition. I entered the competition because I am interested in making models. I started making models when I was five years old. When I finished making the model, I felt overjoyed.

My winning model is a phoenix. There were many small pieces in the model. It can move its wings. It has replaceable wings. I made it because it is cool!

When I knew that I won the first prize, I was overjoyed. My parents were very proud of me. They invited my friends to celebrate my victory.

I will spend the money to buy some presents for my friends. I will keep my winning model and joined next year's model making competition.

It was the night before the English exam. Jimmy worked hard for the exam. He studied late at night. He felt so tired that he fell asleep on his desk at two o'clock.

The next day, Jimmy woke up at eight o'clock in the morning. He was scared and worried since the exam started at eight thirty. Thus, he brushed his teeth, washed his face and put on his school uniform quickly.

At first, Jimmy wanted to take a taxi to school. However, he didn't have enough money, so he had to take a bus. Luckily, he was not late for school. He did quite well in the exam. Jimmy felt happy in the end.

Anyway, Jimmy has learnt a lesson. He should start his revision early and he shouldn't go to bed too late.

My birthday is on 4th December. I had an unforgettable birthday last Sunday.

In the morning, I phoned my friends to come to my house. First, we played hide-and-seek in the garden and then we played treasure hunt excitedly.

At noon, we went back to my bedroom. We played video games and had a feast. 'The chips and salad are very yummy!' said my friend Jacky. My friends enjoyed the food very much.

'It's the time for the birthday party!' my friends took out a birthday cake and screamed happily. I was moved. I made a wish and then blew out the candle and shared the cake with my family and friends.

It was 8:00 pm. I was so excited because it was the time to get and unwrap my gifts. I got a lot of gifts such as a set of toy train and a soft panda. Pandas are my favourite animal. This panda has a button on its tummy. When I press it, it will say 'Hello'. It's so cute! How special it was!

It was really the most unforgettable birthday for me!

Last Friday, I went to a supermarket and saw a theft but it was not a normal one. It was very touching.

When I was in the supermarket, I was heading towards the dairy section to get a carton of milk. I saw a girl look around and slip into the snack section secretly. She opened her little rucksack and put everything she saw, like biscuits and chocolates.

Then, she looked around again and saw me that time! She ran away without a single word. I was really nervous. I used my trolley as a scooter and began to chase her.

'Catch that thief!' I shouted. The shop assistant heard and started to catch the girl. They surrounded her. 'Why are you stealing things?' I asked. The girl cried. 'My father got into the hospital because of an accident. My mother can't find much money for us to live. We can't even afford a single meal!' she said. I was shocked by her words.

'Don't worry. I will pay it for you, also, stealing is not an option, study more, find a good job when you grow up, okay?' I told the girl, she nodded and took the snacks out of her rucksack. I paid it for her.

Finally, she gave me her phone number and walked out of the supermarket. I was moved by what she said. It also made me think, 'Why can't I be good to my parents? I should study hard and be nice to them.'

I think Hong Kong is the best place in the world to live in! First, Hong Kong is an exciting city with lots of fun. There are cinemas everywhere so you can watch great movies at any time. There are also a lot of places that we can sing karaoke or dance. You will have fun in Hong Kong!

In addition, there are lots of attractions that provide great entertainment. There is the Peak where we can look at beautiful view of Hong Kong. The theme parks in Hong Kong are very famous, both Ocean Park and the HK Disneyland are big, and they're still expanding!

Furthermore, the nature of Hong Kong is beautiful. Lamma Island is a great place to hike, and the view there is amazing. Hong Kong has a lot of beaches with clear water, we can swim there and have a great time.

In conclusion, Hong Kong is a great place. It not only provides entertainment, it also gives us a comfortable life. That's why I think Hong Kong is the best place to live in.

2nd October

Cloudy

Today we had an English test. Miss So told us the rules of the test before the test. Although I had revised for my test, I was worried about my test result.

When I was doing the test paper, Miss So said, 'Benny, what are you doing?' Benny was cheating! Oh! He wrote some notes on his left hand. He was so frightened. Miss So felt very angry and we were all shocked.

After that, Benny told Miss So that his mother was in hospital so he wanted to have a good result in the test to make his mother happy. However Miss So did not believe Benny. She called Benny's mother and she knew that Benny was telling lies. We thought that Benny was too dishonest.

Then Miss So called Benny's mother again and punished him. I think if Benny had not cheated, he would not be punished. Therefore we should not tell lies or cheat in tests or exams.

How to make ourselves happy? To me, it is as easy as a piece of cake.

Firstly, we could get along with our family and friends. We could do some outdoor activities with them such as going on a picnic and going for a trip.

Secondly, we could also do some activities which we like to do very much. I always watch cartoons and do sports such as table tennis and volleyball. The cartoons which named Tom and Jerry are really funny. Besides, doing sports can make us healthier.

Thirdly, we could help someone who is in need such as the elderly and the pregnancy. Otherwise they may fall down and get hurt easily on the bus or the MTR so we should give seats. Take action now! Remember to look around and see who needs our help. Helping others is a joyful experience.

Finally, we could visit some websites to read jokes but we should not read something that will make us sad.

In conclusion, happiness is important to us because sadness will let us down and we don't want to do anything. Therefore, you can try my ideas. They might be helpful to you!

Yesterday, I went to Stanley Beach with my family. We were glad and excited. A lot of people were building sandcastles while we were swimming. Suddenly, the red flag was hoisted. The waves were getting bigger and bigger.

The people swimming and windsurfing in the sea started to come out of the sea. We began to pack up our things and leave the beach too. However, some boys did not pay attention to the red flag. They kept on swimming. A lifeguard saw the boys and shouted at them but they did not want to leave. At that moment, there was a big wave and we heard someone shouting for help. They were getting into trouble!

The lifeguard jumped into the sea and saved the drowning boys.

After that, the people at the beach called the police. The boys had to stay in hospital. It was a frightening experience!

Dear Nancy,

How are you?

Last week, I visited the 5th Green Exhibition in Tsim Sha Tsui with my family. It was really interesting. There were a lot of informative booths. All of them were about environmental protection. We were interested in those booths. There were a lot of interesting exhibits. We were very excited.

At one booth, I saw a pencil holder which was made of a toilet paper roll and ice-lolly sticks. It was really interesting. I also saw a poster. It was about a tree-planting event in Sai Kung. I signed up for it because it was very meaningful.

After that, I heard a loud noise in a nearby booth. I went to see what had happened. I saw a naughty little boy removing a can from an amazing exhibit. The exhibit fell over immediately. The naughty boy was very scared and he did not know what to do. He started crying.

I told the organizer immediately. The little boy's mum came. The organizer came too. The organizer was a bit angry but he did not scold them.

The organizer forgave the boy finally. The boy was sorry about that.

He said he would be more careful next time.

Did you do anything special last week? Write soon.

Your friend, Louie

Subject: An awful experience

Dear Tim,

How are you? Guess what happened to me yesterday. Yesterday it was sunny so it was good for hiking. I went to Cheung Chau with my family. We were happy. When we were boarding a ferry in Central, it was windy.

On the way to Cheung Chau, the waves were getting huge. The weather was getting worse. There was a lot of thunder and lightning. Then I felt ill and threw up in a plastic bag. My family were worried and felt unhappy.

In the end, I needed to go to see the doctor on Cheung Chau so my family decided that we could not go hiking. I felt disappointed. What an awful experience I had!

Your friend, Colin

Last Thursday night, I stayed up late because I wanted to watch my favourite cartoon. It was interesting. While I was watching the cartoon, I was eating some delicious chips. I went to sleep at two o'clock.

Last Friday morning, I woke up when I felt unwell. I found that I had a sore throat. I was worried because today I had English Oral Exam. Although I felt unwell, I went to school.

At school, it was my turn to take the Oral Exam. In the Oral Exam, my English teacher, Miss Wong, asked me some questions orally, but I couldn't speak. I was worried and she felt surprised.

In the end, Miss Wong told me that I needed to re-take the Oral Exam later because I couldn't speak. She also punished me and said, 'Write down why you are sick and how to stay healthy in 80 words. Hand in it tomorrow!' I was so sad.

Helping the poor children in China

6E Lai Ka Yee, Jessi

There are a lot of poor children in China. They face a lot of problems. How can we help them?

We can donate books and collect second-hand books to them because there are very few books for the poor children to read. Their classrooms and homes are very cold but they do not have enough warm clothes. We can collect second-hand clothes to them. We can also buy new clothes for them.

They do not have enough food and money either. They have only congee but they do not have enough money to buy other food. We can raise money and donate our pocket money to them so that they can buy food.

They have very few toys too. We can donate our old toys. We can also make some toys for them. We can even buy new toys to them so that the children can have toys to play with. They will be very happy too!

They do not have enough resources such as books, food, money, toys or clothes. It is very meaningful if you help them.

I think Hong Kong is the best place in the world to live in! It is an interesting city with lots of fun. It is one of the greatest cities in the world.

First, many tourists love Hong Kong because it is an exciting city with lots of fun such as movies, karaoke and dancing. People can take photos, watch dolphin shows and watch magic shows in Hong Kong.

In addition, there is a lot of yummy food in Hong Kong such as seafood, dim sum and noodles. These are my favourite foods. I think seafood is the best because it is very delicious.

Furthermore, Hong Kong is a shopping paradise. People like shopping in MongKok and Tsim Sha Tsui. Mum and I always go shopping there. People can buy a lot of things such as food, toys and goods in Hong Kong.

In conclusion, there are a lot of attractions in Hong Kong such as Ocean Park, HK Disneyland and the Peak. Mum and Dad always take me to Ocean Park.

I love Hong Kong because Hong Kong is my home. There are many nice friends and family, a lot of yummy food and a lot of beautiful places. I love Hong Kong very much.

親愛的梁副校長:

您好嗎?我最近看了一本書──《重陽節》。

這本書介紹了重陽節的由來,您知道為甚麼會有重陽節嗎?

在很久以前,有一個叫恒景的男孩,他所在的村子被「瘟魔」襲擊,所以他便下定決心把「瘟魔」除掉。他歷盡艱難,費了九牛二虎之力找到能降妖除魔的神仙爺爺。在神仙爺爺的教導下,他聞雞起舞,刻苦練習,終於練成出神入化的好武藝。九月初九這一天,他按照神仙爺爺的吩咐,分給鄉親們一片茱萸葉,喝一口菊花酒,領着大家登上高山。「瘟魔」中了恒景的「空誠計」,最後被他一劍剌死。因為九月初九又是重陽日,所以人們把這一天定為「重陽節」。在這天人們會登高、插茱萸和喝菊花酒等活動來紀念恒景除掉「瘟魔」一事。梁副校長,這就是重陽節的由來。

看完這個故事後,我明白了人們是為了紀念恒景而有了重陽節。我十分欣賞恒景既善良又勇敢的性格,他為了鄉親們,不顧個人安危,跟「瘟魔」決鬥。我還很敬佩他的決心,他雖然翻山涉水,困難重重也找不到神仙爺爺的蹤跡,可是他依然沒有放棄,沒有灰心,繼續尋找,這種精神真值得我學習。梁副校長,如果換成我,早就放棄了。

梁副校長,您就像神仙爺爺,盡心盡力地教導我們,謝謝您!

親愛的外婆:

你好嗎?

這個星期,我看了一本關於春節的書本,讓我知道這個節日的由來。

在很久以前,深山裏住着一種兇猛野獸,叫作「年」。每當到了歲末深夜,牠便從山裏走出來,到附近的村裏吃人,人們都十分害怕牠,躲在屋裏不敢外出。這種情形持續了很久。某一年,有一戶人家在門上貼了紅紙和燃燒了竹子,自此「年」便沒有騷擾他們,人們覺得貼紅紙和燒竹子能趕走「年」,於是在第二年,家家戶戶都貼上紅紙和燒爆竹。自從那次以後,「年」便沒有出現了。

我覺得這本書很好看,如果您想看,可以回信給我,讓我帶這本書給您看。

現在四川還可以放爆竹嗎?在香港不可以私自放爆竹了,因為這裏的人口及房屋都非常稠密,容易引起火災,只能觀賞政府燃放的煙花,所以我很想體驗一下燃點爆竹的感覺。我真期待在新年去探望您的時候能燃放爆竹。

您好嗎?自從您生病後,我再也沒有見過您了,您身體好了嗎<mark>?今天我在香港旅遊發展局瀏</mark> 覽了一篇介紹香港中秋節慶祝活動的文章,覺得很有趣,所以想和您分享一下。

香港人過中秋節當然少不了品嚐月餅、賞月和逛大大小小的綵燈會。但是,當閱讀了這篇網上文章後,我就決定明年中秋節一定要親自去銅鑼灣走走,您知道原因嗎?

原來在銅鑼灣的大坑,每年中秋節都會舉辦一連三天的舞火龍節目,伴隨着熱鬧的鑼鼓聲和 巨大的火龍在街上走來走去,真是非常吸引的,這種有過百年歷史的傳統習俗還被列為中國國家 級非物質文化遺產呢!

全靠這個網站把舞火龍這個活動介紹得那麼栩栩如生,我想以後每年的中秋<mark>節,愛熱鬧的我</mark>會多一個令人開心的好去處了。

爸爸:

前幾天,我看了一本關於中國節日的書。我知道你喜歡看中國歷史,就讓我介紹一下這本書吧!

這本書介紹了不同的中國節日,內容更是生動有趣,其中有一個故事是我最喜歡的,它就是 牛郎織女。你知道七夕節這個節日也由牛郎織女這個故事而來嗎?

相傳在很久以前,牛郎是一個孤兒,他的嫂子為人刻薄,並經常虐待他,令牛郎被逼離家,只與一頭牛相依為命。一天,老牛告訴牛郎只要他把仙女的衣服拿走,仙女就無法返回天庭,於是牛郎就把其中一個仙女的衣服拿起,這個仙女名為織女,兩人經邂逅後便墮入了愛河,但此事被天帝知曉,他便怒氣沖沖地把織女帶回天庭審問。牛郎為追織女而上了天界,卻被王母娘娘的金簪所變的銀河擋住去路。王母娘娘被他們的愛情故事所感動,命喜鵲於每年的七月七日,排成「鵲橋」,讓他們相聚。

織女與牛郎雖經歷了不同的困難,但若是他們不堅持,那他們就不能相見。你是否亦被他們的行為打動?不過,他們雖然不能時時刻刻生活在一起,但古語云:兩情若是久情時,又豈在朝朝暮暮。

如果你也想看的話,就告訴我吧!

女兒 嘉儀上 十月十日

親愛的表姐:

你最近好嗎?

農曆新年快到了,你在法國那邊會有華人慶祝節日嗎?請別忘記查閱手機,媽媽會微訊一封「電子紅包」給你。還記得小時候,你和我都把公曆新年和農曆新年混淆了,在公曆一月一日嚷着向大人們索取紅包而被婆婆罵了一頓的情境,真的令人啼笑皆非。這件事令我驚覺到我們身為華人應該要了解我國的節日,所以我想藉此向你推介一個網站——新華網。

裏面介紹了一個節日,它就是端午節。農曆五月初五是端午節,端午節始於中國的春秋戰國時期,至今已有三千多年歷史。相傳屈原死後,百姓紛紛引舟競渡前去將粽子抛入江中,以免魚蝦蠶食他的身體。自此,中國民眾便把端午節的龍舟競渡和吃粽子與紀念屈原緊密聯繫在一起。

我相信這個網站能令你更了解我國傳統節日的由來。我深信你看完這個網站後,會和我一樣 更熱愛中國傳統節日,更愛我們燦爛的中國文化。

Dear Uncle Peter,

How are you? How is your family and your life in the United States?

I have read a book and I found it very interesting. Let me tell you more about it. The book is named 'My First Chinese New Year' and it belongs to Chinese festivals series. The main characters in the book included, her sister and her dad. I really like the sister because she is very cute and funny. Chinese New Year is a time for new beginnings, giving thanks and reunions with family and friends.

According to the traditions, I know that people decorate their homes with red papers. They can buy peach blossoms and mandarin oranges in Flower Market. I also learnt that people eat traditional foods such as rice cakes and turnip cakes. Chinese New Year is a very joyful festival. Hope you will like Chinese New Year too!

I am looking forward to hearing from you soon.

Best wishes,

King

Dear Miss Ip,

How are you? Are you enjoying your holiday? I have read a book and found it so interesting. Let me tell you more about it.

The book belongs to a series of Clover Leaf children's books about Chinese New Year and special days. The book I'm introducing to you is 'Chelsea's Chinese New Year - Holidays and Special Days'.

Chelsea's family is celebrating Chinese New Year. Chelsea stays up late. She watches firework and a parade with a dragon on the first day. She and her parents have a big party because it's important for all the Chinese families to get together around the table to have the reunion dinner.

In the meantime, Chelsea learnt about the history of Chinese New Year of Celebrations in China, such as house- cleaning, home-decorating with red papers, buying or wearing red clothes and visiting relatives.

I think this book is really interesting. It lets me know about Chinese New Year. This book even helps children learn special things about Chinese New Year.

Your student, Kelly

11th November, 2016

Dear Dad and Mum,

How are you? I read an amusing book which I borrowed from the library recently. I would like to share with both of you.

The title of the book is 'CHINESE NEW YEAR' by ANN HEINRICH. It talks about Chinese New Year. There was a legend that good luck will come in after red banners had been hanged everywhere. A fierce dragon snakes through the streets. Firecrackers crackle and pop. It's Chinese New Year! It is a joyful festival. Everyone will say greeting to each other "Gung Hay Fat Choy!"

I have also learnt from the story that the whole family will come together and have dinner on New Year's Eve. People will visit relatives and friends from the first day for Chinese New Year. Each child will receive some red packets from married people.

I like this story very much because it shows me the traditional customs and illustrations of the book are beautiful and funny. I think most children and adults would be interested in the book.

I am looking forward to hearing from you soon.

Love, Yvonne

21st November, 2016

Dear Sister,

How are you? Hope you are well in England?

When I am writing this letter to you, I am reading a book. It is named 'Chinese New Year'. It is very interesting. Let me tell you about it.

One upon a time, there was a dragon in China. It lived in the sea, people couldn't fight the dragon. It was very strong! It was very horrible.

A man found that the dragon was afraid of red so he put on some red clothes.

That's why we put on red clothes to celebrate Chinese New Year.

I think you will like it. If you want to know more about this book, just call me or write a letter to me. I am looking forward to receiving your letter.

Best wishes, Olivia

有趣的數學

書籍資料

書名: 少年偵探隊校園綁架案

作者:瑞妮・郝勒 出版日期:2005年4月 出版社:新雅文化專業有限公司

版次:初版

內容簡述

這本書兩個故事,分別《校園綁架案》和《可疑的別墅》。而我覺得《校園綁架案》比較有趣。故事裏馬克斯被綁架了,我要把數學難題解開才可以找出歹徒藏匿的地點,並救出馬克斯。我覺得最困難的是要找出缺少的數字,我要把數字組合成橫排、直排和對角線數字的和應該是相同的。另外密碼鎖遊戲要求我想出三個數字,第三個數字是第一個數字的四倍,第二個數字是第三個的 ½。

我的感想

看完這本書,我學會了利用推理和嘗試來解開謎題,十分 有趣。

數學家的故事

書籍資料

書名:伽利略 作者:王金芬

出版日期:2016年12月

出版社:世一文化

版次:初版

內容簡沭

我在這書本學習了伽利緊這個數學家怎樣開始學習數學的小 故事。

伽利略十八歲的時候,進入了比薩大學求學。但十九歲也仍 然未接受過正規的數學教育。有一天,他正好聽見里奇教授在講 授歐奇幾得,伽利略在門外聽了許久,覺得數學很有趣。里奇教 授發現了伽利略具有優越的數學能力, 便開始教他數學。

我的感想

從這個數學家的小故事,我覺得伽利略的意志很堅定。也要學習他追求真實、為真理奮鬥的 精神和不會容易就此放棄自己喜愛的東西。

數學的奧妙

書籍資料

書名:神奇酷數學 作者:查坦·波斯基

出版日期:2013年3月26日

出版社:小天下

版次:第一版第3次印行

內容簡述

在這本書上,它教了我一個很有趣的東西——鏡數(回文數)。 鏡數是那些由前往後,由後往前。讀起來也一樣的數,例如: 131,7227,1324231。神奇的是,有一種特別的方式可以製造這些數, 以下是一個實例:

1. 從 78開始, 2. 相加: 78+87 (把 78倒轉就 87)=165, 3. 然後, 165+561 (把 165倒轉就是 561) = 726, 4. 接下來, 726+627(把726倒轉) = 1353, 然後, 1353+3531(把1353倒轉) = 4884, 4884就 是一個鏡數!不個,有些時候,你不用做這麽多步驟,例如你使用的數字是31,便會很快找到鏡

數(44)。 我的感想

我感到鏡數很有趣,不過有時很麻煩。比如我以89/98(89+98/98+89)開始,要花我許多時間 才得到鏡數(8813200023188)。不過我認為偶爾算算這些數也挺好,刺激一下腦部的神經,有時還 可以用鏡數來跟我的同學玩遊戲:每個人都先寫下一個兩位數,然後交換,看誰計算得最快!所 以我認為這是一個很有趣和實用的知識。

數學的奧妙

書籍資料

書名:圖解數學 作者:吳作樂 出版日期:2015年

內容簡述

「身份證的奧妙」講述身份證字號一定是英文開頭,原來台灣, 1代表男性,2代表女性。其實每一個身份證號碼,都符合一個特殊的 規則,例如K07977595,K表示苗栗縣,代表數是19,

(1+9x9+1x8+0x7+7x6+9x5+7x4+7x3+5x2+9x1+5)÷10,若餘數為0表示身份證正確。

我的感想

我認為這樣非常方便,可以辨認這個身份證的真假。如果日後也可以用這種方法來辨認真假,可以促進了科技和方便了生活。希望我也可以用這種方法來用在日常生活。相信可以大大節省時間和方便生活。除了身份證,還可應用在其他證件上。

數學的奧妙

書籍資料

書名:數學之書 The Math Book

作者:柯利弗德·板寇弗 出版社:時報文化出版企業股份有限公司

出版日期:2013年1月4日 版次:第一版

內容簡述

我在這本書中認識了魔方陣,當一個魔方陣中的數字是從1到 N²的連續整數時,我們稱之為 N階方陣,而該方陣的魔數字也就是每一列的總和恒等於 N(N²+1)/2。文藝復興時期一名叫做杜勤的人在西元1514年創造了如圖所示,神奇的4x4魔方陣。

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

首先可以注意最下面一列中間兩個數字拼在一起恰好是「1514」,也就是這個方陣誕生的年份。另外除了每一行,每一列跟對角線上數字的總和都是34。方陣四個角落的數字總和(16+13+4+1)跟中心2x2方陣的數字總和(10+11+6+7)都是等於34。

你的感想

我覺得很神奇,因為在這個魔方陣中填的數字都是各不相同的整數,但不論是水平列、垂直 行或者對角線上的數字加起來,都會得到相同的結果。從最簡單的3x3魔方陣開始,歷史長河中 不分時、地點,從馬雅印地安人到非洲豪薩人等,各種不同文明都找得到有魔方陣的記載。

親愛的吳佩華老師:

我十分感謝您這兩年的悉心教導。雖然你在我 五年級開始才成為我們的英文科老師,但是已經教 曉我們很多知識,而且還很關心我們,更常常鼓勵 我要勇往直前,不要放棄,終有一天必定獲得比之 前更好的成績。您除了在英文課時教導我們,也會 在課餘時間與我們談談人生道理及我們的前途。您 的說話,我會銘記於心。即使我畢業了,也會回校 探望您和其他老師。真的感謝您,吳佩華老師!
